

Individual Responsibility Statement

I, _____, identity card / citizen card / passport number _____, (nationality) _____ and residing in _____ N^o _____, (Postal Code) _____ (locality) _____, (country) _____, declare:

1. Be physically well prepared for the competition; be in perfect health, not suffering from any illness, physical disability or injury that may be aggravated by my participation in the race. If during the event I suffer from any type of injury that could endanger my health and physical integrity I will transmit it to the organization team as soon as possible;
2. Be aware that this kind of sport activity takes place in a natural environment, in places of difficult access and control, which consists of an additional risk for the participating athletes, therefore, I affirm that it is my will to participate in the competition, fully assuming the risks and consequences thereof;
3. To have physical capacity, technical skills, sports and safety equipment and survival resources enough to guarantee my physical integrity in the conditions of semi-autonomy of the race in which I am enrolled;
4. Master and commit myself to comply with the norms and safety protocols established by the Compressport UTM organization team, as well as to maintain a responsible behavior, following all the instructions and decisions that the organization communicates to me for my security;
5. To be in possession of all my mental faculties' reason why my participation in the evidence registered is made of free and spontaneous will. Therefore, the organization, employees, sponsors, volunteers and any other participants are exempt from liability for any physical and / or material damages; Commit to follow the next general rules of safety and respect for the environment:
 - Move cautiously along roads and paths open to traffic;
 - Only circulate within the course of the race;
 - Respect natural, geological, cultural resources and landscape in general;

- Do not leave objects or waste outside the intended places.

6. Give the organization of the Compressport UTM 2019 permission to use any personal image (filming or photography) record, as long as its use is related to my participation in the event.
